Deputy Headteacher: Richard Cleaves B.A. (Hons)

Dear Parent/Guardian,

The school nursing service will visit the school to offer pupils a **nasal flu spray vaccine on**

Thurs 17-10-24

The NHS recommends that your child has a flu vaccination every year.

It's very important to protect your child from flu to make sure they stay as healthy as possible. The best flu vaccine for most children is a nasal spray. This is the vaccine that will be given on the day.

The online consent form and additional information can be found here: <https://linktr.ee/schoolfluab>

To help make sure the vaccine is suitable for your child, and they don't miss out, please take time to read the information and **follow the link to complete the electronic consent form as soon as possible, before the planned vaccination date**, no later than **48 hours** before the above date. Any consent forms submitted after this time may result in your child not receiving their vaccine on the day.

Should you have any difficulties accessing the above link, please contact 01633 431685 for further support.

Please note there will be a mop up day for any children who are absent and for Year 5 who will be on a school trip on this day. Further details regarding a date for this will be sent out when it has been confirmed.

Cofion / Regards
